Dear Halfacre Construction Company,

On behalf of the United Way of South Sarasota County, we would like to thank you for your support of our 16th annual golf tournament. Many of you have supported this tournament for numerous years and we are extremely grateful for your generosity and commitment to this agency.

As most of you know, the majority of the non-profit agencies we serve faced critical budget shortfalls this year and were counting on us more than ever. The monies raised from this year's tournament are going directly to those agencies and the people they serve in our surrounding communities. In these tough economic times we recognize that your donation was a sacrificial gift and we can't thank you enough for digging deep to help the struggling families in our area.

Our organization is fortunate to have good friends like you in our community who understand the value of our service and we look forward to continuing that friendship in years to come.

Best regards,
