Dear Jack:

Thank you for Halfacre Construction Company's generous support of our 2011 Hall of Fame Awards Luncheon. This event allows us to acknowledge local businesses and community leaders, highlight the importance of economic development, and recognize outstanding businesses for the contributions they make to Sarasota County. We couldn't do this without you.

As the John Cox Community Partner of the Year Award presenter, we would also like to thank you for your time and commitment in helping to make the event a success. Enclosed is a photograph of you with the winner's representative, David Beesley from First Step of Sarasota, Inc.

We are grateful that you choose to partner with the EDC in our efforts to create a diversified and more sustainable economy in Sarasota County and look forward to your collaboration with us in the future.

Sincerely,

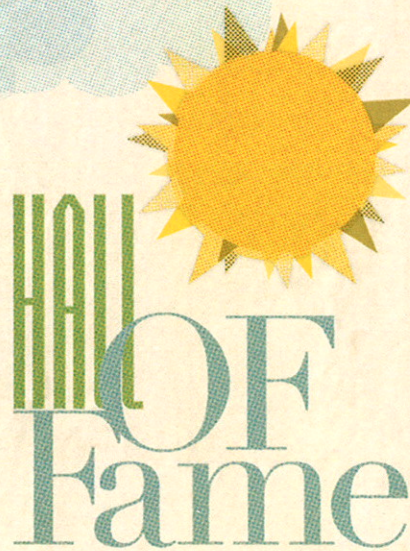

A handwritten signature in black ink that reads 'Mark Huey'. The signature is fluid and cursive, with a long, sweeping tail on the 'y'.
