November 12, 2010

Mr. David Kramer  
Halfacre Construction Company  
7015 Professional Parkway East  
Sarasota, FL 34240

Dear David,

Thank you for your generous gift of support to Brunch on the Bay 2010.

Together with distinguished colleagues, neighbors and friends, your gift will provide financial access to higher education for more local USF students. Especially now, financial support plays a major role when students make a choice where they go to school, and an educated community advances the local economy and quality of life.

You will receive a tax receipt from the USF Foundation in Tampa stating that the tax-deductible portion of your \$300 gift is \$225. The fair market value of your participation in this year's event is \$25 per person, which is not tax deductible. Proceeds from the USF Sarasota-Manatee Brunch on the Bay 2010 will benefit local area students attending the University of South Florida Sarasota-Manatee and may be eligible for matching funds from the Florida Legislature.

The day was perfect this year at Brunch on the Bay as we recognized and celebrated you and other generous community partners for your leadership and investment in higher education through scholarship. You are an important partner with USF in building a more vibrant, competitive, economic future for the Sarasota-Manatee area.

Sincerely,

Dr. Arthur M. Guilford  
Regional Chancellor  
University of South Florida Sarasota-Manatee
