Dear Jack:

Thank you very much for your donation of the Executive Washroom for our use during our **19th Annual BB&T Sharks Tooth Festival** that was held on April 8-10. We very much appreciated being able to utilize this "cool" facility over the weekend.

On behalf of our over 488 athletes and all of our coaches and volunteers, our sincere thanks for your support of our programs and the Gene Whipp Sports Center.

Sincerely,

A handwritten signature in cursive script that reads "Maggie".
