Dear Jack:

On behalf of the Special Athlete Boosters, I would like to thank you for donating \$100.00 and for supporting the 17th annual Sharks Tooth Festival.

Your gift helps fund year round sports training and competition programs for over 470 special athletes. The benefits of participation include improved physical fitness, motor skills, greater self-confidence, and a more positive self-image. Our Special athletes carry these benefits with them into their daily lives at home, in the classroom, on the job and into the community.

Once again, thank you for your donation to help Special Athletes as they train for sports and train for life.

Sincerely,

Nancy Raney
Program Supervisor
