Jack Cox, President  
Halfacre Construction Company  
7015 professional Parkway E.  
Sarasota, FL 34240-8412

Dear Jack,

Thank you and Halfacre Construction for your generous gift of support to Brunch on the Bay 2009.

Together with distinguished colleagues, neighbors and friends, your gift will provide financial access to higher education for more local USF students. Financial support plays a major role when students make a choice where they go to school, and an educated community advances the local economy and quality of life.

Your Company will be recognized at the Bull Pen level as follows:

-  Your Corporate Name on the Brunch Invitation and Program.
-  Seating for 10 with your Corporate Name on the table sign.
-  Inclusion in the USF President's Council.

You will receive a tax receipt from the USF Foundation in Tampa stating that the tax-deductible portion of your \$1,500 gift is \$1,250. The fair market value of your participation in this year's event is \$250.00 which is not tax deductible. Proceeds from the USF Sarasota-Manatee Brunch on the Bay 2009 will benefit local area students attending the University of South Florida Sarasota-Manatee and may be eligible for matching funds from the Florida Legislature.

I look forward to seeing you at Brunch on the Bay 09 as we recognize and celebrate you and other generous community partners for your leadership and investment in higher education through scholarship. You are an important partner with USF in building a more vibrant, competitive, economic future for the Sarasota-Manatee area.

I am honored by your spirit of philanthropy.

Sincerely,

Dr. Arthur M. Guilford  
Vice President and CEO  
University of South Florida Sarasota-Manatee
