Dear Jack,

Thank you for your continued support of Community Haven by participating and attending our recent ribbon cutting ceremony for Jacquelyn's House which drew out a sizable and enthusiastic crowd.

We are deeply appreciative to you and your company for building a start-of-the-art 4th group home that exceeded all our expectations. We appreciate your crew's professionalism and attention to detail which resulted in the project being completed on time and within budget.

Half Acre Construction has partnered with our agency for years in many successful capital improvements that enrich the lives of those we serve. Your efforts to successfully erect "Jacquelyn's House" for the Niesen Family resulted in nine additional people with disabilities to find safe housing that encourages independence and a better way of life.

On behalf of the Board of Directors and the people we serve at Community Haven, we are so blessed by your loyal support and kindness.

Sincerely,

Marla Doss
