Dear Jack and Members of the Board,

On behalf of the children at Community Haven for Adults and Children with Disabilities, Inc. we would like to thank you for thinking of Selby Preschool with the donation of four (4) Strider bikes. The bikes are a favorite of our older children and are getting a lot of good use. We are so privileged to be aligned with such an amazing group of people.

The support you have given Community Haven through the years and your attention and advocacy will shape the lives of the individuals we serve. We look forward to continuing our partnership with Suncoast Charities for Children for future events.

Thank you again for thinking of us at Community Haven.

Sincerely,

Marla Doss
Interim President and CEO
