Dear Mr. Halfacre,

On behalf of the board, staff, and girls of *Just for Girls*, thank you so much for your gift of \$7,263.75 in impact fees regarding our Patricia M. Glass Leadership and Learning Center. It means so much to have your contribution as we strive to provide award-winning educational programs to our local girls.

We are so grateful for your team's hard work and tireless effort on our east Bradenton construction project. Our new wing is beautiful! Thank you again for all that you do for our community, our families, and most importantly – our children.

*Working together, we can help girls achieve their dreams!*

Sincerely,
