Dear Jack,

Without your support we would be just an ordinary agency; but with your support our students have the means to do extraordinary things, helping themselves live independently and work in the community.

BOARD EMERITUS

KAREN J. HOUGH
DAVID M. HUNIHAN
GREGORY C. ROBERTS

We are deeply grateful for your gift of \$1000.00 to sponsor a table for this year's Friends 4 Life Christmas party. Your financial involvement benefits student tuition, transportation costs, and our group home residents' room and board. It will also boost operating funds as funds from government sources become less reliable, allowing us to build and maintain high caliber programs and services.

PRESIDENT / CEO

CARL J. PENXA JR.

We are privileged to count you among our Loveland Center Family. Your willingness to share your resources will go a long way in helping our students live their lives to the fullest.

Thank you for your generosity and your confidence in our work.

Sincerely yours,

Colette Koltay
