Dear Halfacre Construction Company,

Thank you for your \$100 contribution to Phillippi's Adopt-a-Grade Program. The funds are being used to support Phillippi's writing program. We are able to provide valuable training for our teachers, which will lead to increased student achievement on the FCAT Writes!

In addition to supporting our writing program, your donation enhances the International Baccalaureate Program at Phillippi! As an IB World School, our students are taught to inquire, think, take risks, actively listen to the perspectives of others, and to communicate their ideas and thoughts. The writing program adds to our IB program by developing our students' communication skills.

Your support of Phillippi's Adopt-a-Grade Program sends a powerful message to the students and staff, as well as to the community that you support academic excellence. Showing that you care for educational excellence reinforces our message that academic success is necessary in today's world.

We look forward to working with you and your business in the future. If you have any questions about Phillippi or our IB program, please feel free to contact us at 941-361-6424. THANK YOU for helping our Phillippi Falcons "SOAR UP and BEYOND!"

Sincerely,

A handwritten signature in black ink that reads "Allison S. Foster".
