Dear Mr. Cox: *JACK*

Because of your efforts and contributions, *Opportunity Panama* is being called a huge success by conference organizers and those who attended. I know that you made personal sacrifices to participate and wish to express my personal gratitude.

The event drew nearly 200 attendees from as far away as California and Panama and included an impressive cross-section of business interests. Without exception, reviews and comments have been positive and reaffirming.

Our success would not have been possible without you. Please accept my thanks and let me know if there is every anything I can do for you in the future.

Sincerely,

Steve Tyndal PPM®
