Jack:

Aer-Flo, Inc. sincerely thanks Halfacre Construction for its superior project planning and quality construction of our new plant and home office facilities here in Bradenton.

Halfacre's entire staff was always polite and professional in their dealing with our organization, and this was greatly appreciated by all. Your company's attention to detail saved our company many thousands of dollars. This month we were pleasantly surprised when our property insurance carrier significantly lowered our premium after inspecting our new facility.

You have a great reference here. Prospective clients of Halfacre Consturction may call me anytime.

Best regards,  
AER-FLO, Inc.

William W. Henning  
President
