Mr. Jack Cox
President
Halfacre Construction
7015 Professional Parkway East
Sarasota, FL 34240

Dear Jack,

On behalf of the board of directors and staff of the Boys & Girls Clubs of Sarasota County, may I take this means of thanking you and your entire team for the outstanding job you did with the construction for our new "Lee Wetherington Boys & Girls Club." The response we get from the kids that use the facility and our guests who take tours is always the same. Wow! We call it our Wow Factor and everyone from the end users to our community supporters falls in love with the facility.

Your staff was top notch as they worked with us to make sure every detail was fully discussed and the right decision was made in each and every instance. I know you are proud of your team and we were thrilled to have their guidance and advice.

Our staff also appreciated the way you responded to our questions and concerns and agree that it was a true joy to work on this project. Each member of that group proudly talks about the services we received from Halfacre Construction and how your dedication and concern is helping us "Save and Change" the lives of our very special kids.

Your professionalism was very apparent and I thank you for helping us develop a facility that will serve our community for many years to come.

Sincerely,

J. Mack Reid
President and CEO

A gift through you will enhance the lives of our boys and girls.
