Dear Mr. Kramer:

Since our inception, Senior Friendship Centers has been dedicated to helping older adults live with dignity and respect by providing services that address their needs. We have endeavored to employ contractors who reflect these same ideals.

I am pleased to say that Halfacre Construction Company has demonstrated those values in the projects undertaken on behalf of our organization. The quality of work provided has been a great asset in building facilities which help Senior Friendship Centers maintain professional and accessible places for our programs and services.

Sincerely,
