

Special Athlete Boosters *Supporting the Suncoast's Special Olympic Athletes*

January 27, 2012

Mr. Jack Cox
Halfacre Construction
7015 Professional Parkway East
Sarasota, Florida 34240

Dear Jack:

On behalf of the Special Athlete Boosters Board of Directors, I would like to thank you for providing the leadership and expertise for the improvements made to our facility, the Gene Whipp Sports Center. The fresh coat of paint on the building, the much needed shed for storage, the changes in fencing, the new cement walkway and shell, all made possible through the generosity of Suncoast Charities

It was a pleasure working with you, Greg and the numerous workers that it took to complete this project. We are thrilled with the results and truly appreciate all of the time and effort that you spent to see this job through to completion.

Thanks again for your support of our program and our athletes.

Sincerely,

Maggie Riggall
Executive Director
