Dear Jack:

St. Jude Parish thanks you for the installation of the roofs on the two storage facilities added to our building.

Now, two and a half years of operating in the church, we have accumulated files, furniture and related items that required additional space. These storage areas will be a vast improvement for us.

I am grateful for the assistance of Halfacre Construction Co. and the expertise offered by Tom Rees and Troy Riley from your offices.

May God bless you for your loyal support of our church.

Sincerely,

A handwritten signature in black ink, appearing to read "Fr. Celestino Gutiérrez".
