Dear John:

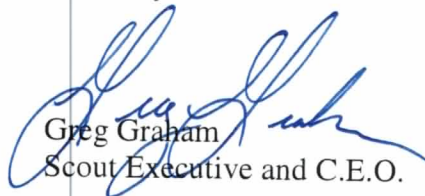

The Southwest Florida Council, Boy Scouts of America, would like to thank you for your recent 2012 Friends of Scouting gift in the amount of \$50. Please contact us immediately should you have any further questions regarding your gift or billing. *This letter is not a bill.*

For over 100 years, Scouting has been a program devoted to the development of young people. Today, more than ever, we need to instill in our youth the principles and values of Scouting that will result in their becoming good citizens and future leaders.

The Southwest Florida Council is proud of its strong Scouting tradition and the positive influence our council is having across our seven county region. From continued membership growth to continued growth in camping programs, we are committed to ensuring all youth have the same opportunity to afford and participate in a quality Scouting program.

On behalf of the 26,000 youth and 2,775 adult volunteers across our council, thank you again for your commitment to keep our local programs strong for today's Scouts and those of the future. Your support is truly making a positive difference in the lives of our youth and community.

Sincerely,

  
Greg Graham  
Scout Executive and C.E.O.
