Gentlemen,

Because of your generosity the YMCA is able to provide scholarships to children who need financial assistance and wish to participate in membership and/or programs at the YMCA. Often those who need financial help are the ones who need the YMCA the most. 100% of every dollar donated goes directly to the financial assistance program, making the YMCA assessable to all children.

In 2011 the financial assistance program provided scholarship at a total cost of \$212,110. Each year these numbers keep rising and with the economic conditions of today the number of children needing assistance will continue to grow. Through your gift you have reached out to those in need ensuring that the YMCA will be there for them and meeting its mission of being available to all.
