Dear Mr. Cox,

Loveland Center's 4<sup>th</sup> Annual Christmas Barbecue was a tremendous success thanks to your generous sponsorship.

We are pleased to let you know that we topped our fundraising expectations and surpassed previous attendance figures at the Barbecue. Several local businesses generously sponsored the event, over 400 guests attended and we raised over \$35,000.

Thank you again for attending the event and for your generous sponsorship. Your willingness to share your resources will go a long way in helping our students live their lives to the fullest. We are privileged to have each of you apart of our Loveland Family.

If you are interested in seeing your sponsorship dollars put to good work; please call me for a tour of the campus today at 941-493-0016 X 301.

Sincerely,

Colette Koltay
