Dear Mr. Cox III,

In 2012, Loveland Center continued making strides in its mission to help adults with developmental disabilities live their lives to the fullest:

- Over 120 students received more than 135,000 hours of Adult Day Training!
- We introduced iPad technology to the students;
- We increased student knowledge of healthy life choices;
- 16 local businesses are now employing several Loveland students.

We couldn't do it without you and all the participating employees at Halfacre Construction! Thanks to your sponsorship of our Friends4Life program, we can continue to build programs and strengthen our initiatives in the community.

Thank you for your gift of \$260.00 donated in 2012. Thank you again for taking developmental disabilities to heart!

Sincerely yours,

Carl Penxa, Jr.
President/CEO

*Jack,
You da man!
Thanks,
Carl*
