Dear Jack,

A donation has been made in your honor from Turner Tree & Landscape to Meals on Wheels PLUS of Manatee, Inc. During the holiday season of sharing, giving thanks and spending time with loved ones, this gift will help us to spread cheer and hope to our neighbors in need. Contributions like this ensure that we can continue to provide services to senior citizens and families in crisis.

Meals on Wheels PLUS of Manatee is about much more than home-delivered meals. We help families through Daybreak Adult Day Services, where caregivers can bring their frail loved ones to get therapeutic activity and socialization. We serve the hungry in our distribution of food to 100 partner agencies through The Food Bank of Manatee. We also provide transportation for senior citizens who no longer drive, and we offer activities in Friendship Dining Centers and The Senior Enrichment Center at Renaissance on 9th. We could not continue these important programs without the support of community-minded organizations like Turner Tree & Landscape.

Best wishes for a wonderful holiday and a new year filled with peace, love and happiness.

Sincerely,

A handwritten signature in black ink that reads "Maribeth Phillips". The signature is written in a cursive, flowing style.
